## *11-Coin Set Includes Both Westward Journey Nickel Series™ Coins and All Five 50 State Quarters Program Coins for 2004*

WASHINGTON — The United States Mint today announced that the 2004 United States Mint Proof Set® will be released June 3, 2004, at 12:00 noon (ET). The set, priced at \$22.95, features proof versions of the Lincoln cent, the Westward Journey Nickel Series™ “Peace Medal” and “Keelboat” 5-cent coins, the Roosevelt dime, the Kennedy half-dollar and the Golden Dollar, all in one sealed presentation case. A separate presentation case contains proof versions of the commemorative quarter-dollar coins from each state honored this year in the 50 State Quarters Program — Michigan, Florida, Texas, Iowa and Wisconsin.

Proof coins are manufactured by the United States Mint at San Francisco using specially prepared, highly polished dies, and bear the “S” mint mark. Each coin is struck at least twice to ensure the finest detail in a frosted cameo image on a bright, mirror-like background. The sealed cases containing the coins are inserted into specially printed sleeves and are accompanied by a Certificate of Authenticity.
